

SAT and ACT TEST PREP for 2010-2011

A free course offered at Lecanto High School.

- Description:** This course covers the three sections of the SAT: reading, writing, and math. Basic test taking strategies are reviewed, and practice with real SAT material is offered. This course also covers basic aspects of the ACT. While the emphasis is on the SAT, the skills learned on the SAT are easily transferred to the ACT.
- Benefits:** All students who plan to attend college will have to take the SAT or ACT. This course will familiarize all students with the material necessary to get a score that is indicative of your abilities.
- Time:** Each course takes 4 Saturdays to complete. The first Saturday is devoted to Math; the second Saturday, to Reading; the third Saturday, to Writing. The fourth Saturday is a full practice exam with individualized analysis of strengths and weaknesses. The class starts promptly at 7:30 and ends at 11:30.
- Materials:** Please bring a pen/pencil, calculator, paper, and folder. You will also have the option to buy the SAT book with 8 full length tests. The cost of this book is \$20.00 and, truthfully, is worth the money. If you do not want to buy a book, Lecanto High School will allow you to check one out for four weeks.
